

FROM I-77

Look for Exit 11A signs, Brookshire Freeway (NC HWY 16, I-277 East) and take that exit. As you are traveling east on Brookshire Freeway, take the first exit after I-77, the Graham Street Exit. You will ramp onto 10th Street at the bottom of the exit, bearing right until you come to the traffic light at graham street. As you approach the light, bear right onto Graham Street and make your way into the left lane traveling north. (see final directions below)

I-85 FROM THE SOUTH

Look for Exit 36 signs HWY 16 (Brookshire Freeway, I-277 East) and make that exit, bearing right at the top of the ramp. As you are traveling east on Brookshire Freeway, take the first exit after crossing over I-77, the Graham Street Exit. You will ramp onto 10th Street at the bottom of the exit, bearing right until you come to the traffic light at graham street. As you approach the light, bear right onto graham street and make your way into the left lane traveling north. (see final directions below)

I-85 FROM THE NORTH

Look for Exit 36 signs HWY 16 (Brookshire Freeway, I-277 East) and make that exit, turning left at the top of the ramp. As you are traveling east on Brookshire Freeway, take the first exit after crossing over I-77, the Graham Street Exit. You will ramp onto 10th Street at the bottom of the exit, bearing right until you come to the traffic light at graham street. As you approach the light, bear right onto graham street and make your way into the left lane traveling north. (see final directions below)

INDEPENDENCE BLVD (US 74) FROM THE EAST

Follow signs for Brookshire Freeway (I-277 West/North) and exit at the church street exit. Go straight through first light, and take a right at the next light onto graham street. Follow Graham Street and make your way into the left lane traveling north. (see final directions below)

FROM UPTOWN

Head west on 6th street, trade street, 4th street or 2nd Street, to graham street and take a right. Stay on graham street heading north. (see final directions below)

FINAL DIRECTIONS

After you pass under the bridge, and through the west 12th Street traffic light, merge into the left turn lane, and turn left onto Seaboard Street. Stay on this street for about a 1/2 mile. Seaboard turns into Hamilton and you'll see REELWORKS on your left.
